

# What do I want from a job?

HISTORY

## I want to know everything!

Tell me what happened? Which year did our football team win the cup? When was the A14 built? Which king had six wives?

**History** tells why and when things have happened, like when your school got built? Why your town has a castle? Or who is our Queen?

### How history is used in a job

Customers may ask you about the local area or what year did the cinema open? You may need to look at the history of a supplier too.

Check out what **careers** you may like, but remember they are only ideas!
