

What do I want from a job?

LEISURE & TOURISM

I want to tell you where to go!

I know a good place to go camping, a restaurant that does a great curry or where our local art gallery is.

Leisure and tourism looks at how attractions like concerts run, why good customer service is vital and how we spend our free time.

How leisure and tourism is used in a job

You could offer guided tours for schools around a castle, send hotel details to potential visitors or sign up new members to a gym.
